# Zachery Dutton

Frontend Development & Boardgamer

about

I have lived in denver for the last 10 years. I enjoy riding my bike, playing board games (especially Agricola), and writing code. I am always learning new things and applying them to my projects. I love coding because I get to build something and see it come alive.Learn More...

qualifications

- HTML
- CSS
- Javascript/Jquery
- Rule Enforcer
- Learn More...

portfolio

My code is functional, ledgable, and worth 2 victory points.Learn More...
